# OUR SERVICES

1. Sand Blasting & Painting
2. Abrasive Blasting & Protective Coating
3. Pipe Wrapping
4. Fiberglass Lining
5. Fireproofing
6. Waterproofing
7. Pre-Casting
8. Concrete Repair Works
9. Manpower, Equipment & Material Supply

# WHY? *Choose Us*

Reliable Work Delivery

Skilled Professional Team

Cost-Effective Options

High Quality Standards

# Sand Blasting & Painting

Our Sand Blasting & Painting services are designed to provide complete surface preparation and industrial coating solutions for steel structures, tanks, pipelines, heavy equipment, and industrial facilities.

We use advanced blasting techniques to remove rust, old coatings, mill scale, and surface contaminants before applying high-performance industrial paints and coatings. Our experienced team ensures proper surface cleanliness and coating application according to industrial standards to improve durability

# ABRASIVE BLASTING &

# PROTECTIVE COATING

We provide professional Abrasive Blasting & Protective Coating services for industrial structures and equipment exposed to harsh environmental and chemical conditions.

Our solutions help protect metal and concrete surfaces from corrosion, moisture, abrasion, chemical damage, and extreme weather conditions. Using high-quality abrasives and protective coating systems, we ensure long-lasting performance and enhanced structural life.

# PIPE WRAPPING

Our Pipe Wrapping services provide reliable corrosion protection solutions for underground and above-ground pipelines.

# Fiberglass Lining

Durable fiberglass lining solutions for chemical resistance, waterproofing, and industrial surface protection.

We provide professional fiberglass lining services using industry-standard methods, experienced manpower, and high-quality materials to ensure durability, efficiency, and reliable project execution.

# Fireproofing

Advanced fireproofing systems to improve fire resistance and industrial structural safety.

We provide professional fireproofing services using industry-standard methods, experienced manpower, and high-quality materials to ensure durability, efficiency, and reliable project execution.

# WATER PROOFING

Complete waterproofing solutions for roofs, basements, tanks, and concrete structures.

We provide professional waterproofing services using industry-standard methods, experienced manpower, and high-quality materials to ensure durability, efficiency, and reliable project execution.

# PRE-CASTING

High-quality precast concrete solutions for industrial and infrastructure projects.

We provide professional pre-casting services using industry-standard methods, experienced manpower, and high-quality materials to ensure durability, efficiency, and reliable project execution.

# CONCRETE REPAIR WORKS

Professional concrete repair and restoration services for damaged industrial structures.

We provide professional concrete repair works services using industry-standard methods, experienced manpower, and high-quality materials to ensure durability, efficiency, and reliable project execution.

# MANPOWER, EQUIPMENT & MATERIALS SUPPLY

Reliable manpower, equipment, and industrial material supply services for construction and maintenance projects.

We provide professional manpower, equipment & material supply services using industry-standard methods, experienced manpower, and high-quality materials to ensure durability, efficiency, and reliable project execution.

## **Industries We Serve:**

- Industrial plants.
- Construction projects.
- Oil & gas sector.
- Factories and warehouses.
- Infrastructure development.
